Re: DRCC# 17-4230A Route 29 Repair: Trenton, Ewing, Hopewell

Dear Mr. Casper:

The General Permit 1 for the above-referenced project is enclosed. The permit does not address or allow tree removal. Should the project require removal of trees, please contact our office to discuss modification of the permit. Thank you.

Sincerely,

Marlene Dooley
Executive Director

The Delaware and Raritan Canal Commission has reviewed the referenced application for a General Permit authorization pursuant to the requirements of the Regulations for the Review of the Delaware and Raritan Canal State Park at N.J.A.C. 7:45-6.2. The proposed project is authorized by General Permit No.1, which authorizes projects in Zone A that are necessary to carry out the repair, rehabilitation, maintenance or reconstruction of a structure, road, utility line, or stormwater management measure or basin lawfully existing prior to January 1980 or approved under this Chapter by the Commission.

The project authorized under this general permit shall not be put to any use other than as specified in any approval authorizing its original construction. Projects authorized under the general permit shall not visibly change, expand, widen or deepen the feature, and shall not deviate from any plans of any prior project approvals, except for minor deviations due to changes in materials or construction techniques. Any such deviations must be shown as necessary to fulfill the purpose of the proposed project, and must be consistent with the Master Plan.

DRCC#: 17-4230A

2

DATE: April 6, 2017

PROJECT NAME: NJDOT Route 29 Repair: Trenton, Ewing, Hopewell

Description of the authorized project: Roadway repairs and improvements will be made along three areas of Route 29. Work will be done in Trenton, Ewing Township, and Hopewell Township, and include Route 29 Northbound MP 6.48-8.50, Southbound MP 8.50-6.24, and Northbound/Southbound MP 9.40-13.40. Work includes milling of roadway surface, removal of unsound pavement areas, repaving with bituminous asphalt within the full width of the roadway and restriping. Existing rumble strips will be replaced and new areas of rumble strip will be installed. Limited areas of berm under the guiderail will be regraded to original grade for drainage improvement. Eighty feet of 12-inch pipe will be installed under existing impervious surface at Northbound MP 6.30 at Mill Road in Trenton, with new inlets and inlet modification. ADA curb ramps will be installed at three locations along Northbound Route 29: at Morningside Drive, Duffield Drive, and Delaware Avenue. Topsoil and seeding will be applied to disturbed pervious areas.

Permit Conditions: The project allowed by this authorization shall comply with the following conditions. Failure to comply with these conditions shall constitute a violation of the Delaware and Raritan Canal State Park law of 1974 (N.J.S.A. 13:13A-1 et.seq.).

1. This authorization is valid for five years from the date of this letter unless more stringent standards are adopted by rules prior to this date.
2. The project as described shall be constructed and/or executed in conformity with the application.
3. No change in plans or specifications shall be made except with prior written permission from the Commission.
4. The permittee shall allow the Commission the right to inspect the construction site and also shall provide the Commission with written notification 7 days prior to the start of the authorized work.
5. A complete, legible copy of this permit shall be kept at the work site and shall be exhibited upon request of any person.
6. The issuance of this permit shall not be deemed to affect in any way other actions by the Commission on any future application.

Expiration Date: April 6, 2022

Appeal of Decision: In accordance with N.J.A.C. 7:45- 7.1, any person who is aggrieved by this decision may request a hearing within 30 days of the date of decision.

If you have any questions regarding this authorization, please contact the Commission at (609) 397-2000 and reference the above file number.

Sincerely,

Marlene Dooley
Executive Director
